EXCHANGE STUDENT Dieter Seiler of Germany, who will live with the Don B. Wolf family during the school year, visited the office of his "adopted" father Monday and tried out an American typewriter. Bob Wolf accompanied his family's guest on a tour of Torrance and took him to Torrance High School for enrollment.

German Exchange Student to Attend Torrance High School, Arrives Here

Dieter Seiler of Boppard, Germany, this year's exchange student to Torrance High School, arrived early Sunday morning at the Burbank air terminal. It was his first plane ride. He was met by the Don B. Wolf family, 12804 Halldale ave., in whose home he will live during the coming school year. Bob Wolf will be his special companion and already the boys have found much in common. Early Serenade "The boys serenaded me early this morning," said Mrs. Wolf

Monday. "I think we'll set their harmonica concerts for a later hour."
Dieter, an only child, expects to enjoy the family life in the Wolf home and meeting their friends. He was pleased to learn that a girl from his home town who crossed the ocean with him, was to live with friends of the Wolfs as an exchange student.
"A foreign exchange student under the American Field Service must pass seven written and oral examinations, and know several languages," explains Dieter. He speaks English and French besides his own language, and reads and writes Latin. He has been a student at a special language school or "gymnasium" as they are locally called.
With journalism as his future goal, he expects to take subjects at Torrance High which are not available to him in Germany. Social Politics, Democracy, and American History. He is also interested in the driver training course.

REMEMBER?

Well, maybe you weren't born then . . . but to many it was an age of dependability, sincerity and good will . . . even if the "Squawk box" sounded loud and off-key . . . Today, in this age of speed these qualities seem to be lacking. Service plus these "old-time" ingredients are always present, however, at Chuck's TV, 2524 Torrance Blvd. Just call us and see—we never mis-represent or favor "two-way" rates.
